INSTRUCTIONS FOR ORAL PRESENTERS

Speakers' Ready Room

A speakers' ready room, will be available every day throughout the conference, for invited speakers and oral presenters.

Audiovisual Equipment (Standard equipment)

- We request you to mail your power point slides two days before the conference so that we can organize the slides and load it on the computer.
- If it is not possible, please bring power point presentation in a CD, or Memory stick and load it on one of the conference computers in the Speakers' Ready Room, at least 4 hours before the start of the session.
- If combining video films with PowerPoint, please make sure to check it in the session hall where your lecture is taking place during a coffee or lunch break prior to your session, at least 30 minutes before the start of the session - even after checking it in the Speakers' Ready Room.
- Please note that the conference computers in the session halls are being supplied with Windows XP/Windows 7 and Office 2007.

Important note for Macintosh users

In order to use MAC presentations on a PC compatible computer please note that you need to prepare it according to the instructions below, before bringing it to the Speakers' Ready Room:

- Use a common font, such as Arial, Times New Roman, Verdana etc. (special fonts might be changed to a default font on a PowerPoint based PC).
- Insert pictures as JPG files (and not TIF, PNG or PICT - these images will not be visible on a PowerPoint based PC).
- Use a common movie format, such as AVI, MPG and WMV (MOV files from QuickTime will not be visible on a PowerPoint based PC).
- You may use your own Macintosh laptop computer as a back-up. In such a case please confirm that it has a VGA socket for external signal and come to check it first in the Speakers' Ready Room as soon as you arrive and later on in the session hall where your lecture is taking place during the coffee or lunch break prior to your session, at least 30 minutes before the start of the session.
